2024 Artwork Submission Procedures/New Ad Server

In order to best serve our customers, we have introduced a new procedure for the submission of advertisement artwork. This is as follows:

- ♦ The deadline for all artwork is the 15th day of the month prior to when the advertisements are to running. If the deadline is missed ALTA may run an advertisement from a prior month in its place, please see contract.
- ♦ Artwork must be sent to the following email address only: ads@alta.org
- ♦ The subject line of the email accompanying the artwork must include:
 - ♦ The name of the company making the submission.
 - ♦ Month or months the individual advertisement is scheduled to run.
 - ♦ Where the artwork is for a TitleNews Full Page Advertisement the abbreviation FPA must be included.
 - ♦ Digital Title News advertisement must include the abbreviations DTN-Leaderboard, or DTN- TOC for a table of contents advertisement
- ♦ All advertisement artwork file names must be free of spaces, please use an underscore in place of a space.
- ♦ All Advertisements purchases are for a single ad to run for a minimum of one month. Where a “mid-month” swap out has been purchased the artwork must be submitted by the 15th day of the prior month irrespective of when the advertisement is to be swapped out.
- ♦ Artwork must conform with the specifications laid out in this guide, all artwork that is not correctly sized will be returned to the submitter for resizing. Please note the deadline for submission will remain the same as all advertisements.
- ♦ ALTA will confirm receipt of all submitted artwork.

We hope this change will streamline the process and ensure accuracy of advertisement placement throughout the year and will enhance the impact of your marketing campaign.

ALTA Critical Issues Study - Digital Closings

Digital Closing Study

Digital Closings continue to get lots of headlines and it's important to stay on top of the evolving trends. This study aims to better understand the adoption, limitations, and opportunities of technology as it pertains to real estate transactions and closings. Your engagement helps ALTA continue to raise awareness with policymakers about digital closings and remote notarization. It only takes a few minutes to complete the survey and the impact of this data is invaluable to the industry as we continue to navigate a changing market.

Data privacy is a top priority for ALTA and we want you to know your information is safe! The study is hosted on a secure platform and all responses are completely anonymous.

We are grateful to the American Land Title Institute (LTI) for sponsoring the 2023 Cybercrime Study and Report. Please note that the LTI does not influence the questions or content of the study, nor do they have ownership of any of the data or results.

Cybercrime Study

Understanding and addressing industry-wide critical issues is paramount for sustained growth and innovation. ALTA's critical issue studies serve as an invaluable tool in this pursuit, offering participants a unique opportunity to gain insights into best practices, and bolstering the industry's ability inform policy makers on these hot topics. These studies and reports track trends over time and help participants and the industry at large stay on top of threats, challenges, and opportunities.

Digital Closing Study
Digital closings continue to capture headlines, and it's important for ALTA to track the adoption, limitations, and opportunities of this technology for real estate transactions and closings. Your participation helps ALTA better understand the digital closing landscape and provides you with data to make informed business decisions.
